

We have taken steps to reduce your costs.
We are committed to providing a solution for your convenience

HOW TO PROCESS YOUR PRESCRIPTION

Your order will be processed by the end of the following business day

Cataract Compound Drops
 (Prednisolone / Bromfenac)

 **\$36** /bottle

you will need 1 bottle for each eye

Typically, the cost of the prescription drops, after cataract surgery, can cost more than **\$200.00** per eye!
 (varies with insurance)

1 OSRX Pharmacy will call you

Expect a call from a **(406) Area Code** to confirm your address and take payment. If you don't receive a call in two business days, call (855) 466-1076. You may also pay online at osrxpharmaceuticals.com

2 Once payment is received

Your prescription will be completed and **mailed directly to your home.**

There is no cost for standard shipping.

3 Check you mail

Your medication will be arriving via **USPS Priority Mail**

(3-5 days depending on location)

SCHEIN ERNST MISHRA EYE

At Schein Ernst Mishra Eye, we recognize the concerns with increased healthcare costs, availability and convenience that may occur when obtaining prescription drops.

Luckily, we can help!

We now offer these drops through OSRX at a low cost with availability.

This charge is 100% patient responsibility and is due at time of dispense. Insurance will not be billed; Co-pays and deductibles will not apply. No Returns.

This prescription will not be available for purchase at local pharmacies.

Once the drops are ordered, they will be mailed to your home, so be prepared to receive a package from the company.

We will not have samples of these drops available in our office.
